# Abstracts are invited for Poster Presentation Competition in **ic<sup>2</sup>IS** – 2023

## THEMATIC AREAS

- *Theoretical and Experimental Condensed Matter Physics*
- *2D Materials (Graphene, MoS<sub>2</sub>, WS<sub>2</sub>, Mxene etc.) and Devices*
- *Nanomaterials (Nanoparticle, Quantum Dot, Perovskite, Quantum Cluster etc.)*
- *Energy Devices (Photovoltaics, Battery, Supercapacitor, Fuel cell, Piezoelectric, Thermoelectric, Triboelectric etc.)*
- *Artificial Intelligence and Machine Learning in Material Science*
- *Biomaterials and Medical Devices & Biosensors*
- *Sensors (Chemical, Gas, Wearable) and Actuators*
- *Optical, Electronic, Magnetic Materials and Plasmonics*
- *Metal Recycling Processes, Waste Treatment*
- *Water Purification, Wastewater Management, Water Technology*
- *Advance Characterization Techniques and Instrumentation*

## Competition Details

- ❖ Please present original research work in the following areas.
- ❖ Three best posters will be awarded with **INR 6000, 4000, 3000**
- ❖ A scan copy of registration document of participant's academic degree is needed along with the abstract.
